AWARD

(Passed on 7th January, 2013)

In exercise of the powers conferred by clause (d) of sub-section 1 of Section 10 of the Industrial Disputes Act, 1947 (Central Act 14 of 1947) (for short 'The Act"), the Government of Goa by order dated 20-02-2008 bearing No. 28/11/2007-LAB/254, has referred the following dispute for adjudication.

"(1) Whether Shri Nelson Noronha, Sr. Officer--Technical could be construed as "Workman" as defined under clause (s) of Section 2 of the Industrial Disputes Act, 1947 (Central Act 14 of 1947)?

(2) If the answer to the issue No. (1) above is in the affirmative, then, whether the action of the Management of M/s. Phil Corporation Limited, Thivim Industrial Estate, Karaswada, Mapusa, Bardez, Goa, in terminating the services of Shri Nelson Noronha, with effect from 30-04-2007, is legal and justified?

(3) If the answer to issue No. (2) above is in the negative, then, to what relief the Workman is entitled?"

2. Upon receipt of the reference, IT/03/08 was registered. Notices were issued to both the parties under registered A/D post upon which both the parties were served. Party I filed the statement of claim at Exb. 6. Party II filed the written statement at Exb. 7. Rejoinder was filed by Party I at Exb. 8.

3. In the statement of claim, it is the case of Party I that he was employed with Party II who is engaged in the manufacture of films, projectors, cameras, developing papers, services such as development of softwares, installation of ID machines, PPS machines, food processing such as cajunuts etc., at their factory at Thivim, Bicholim

and Valpoi. That he was employed as a trainee turner fitter with Party II since 03-10-79. Thereafter, he was confirmed as such in the year 1980 and was promoted as a leading hand, Junior Officer, Officer and finally with effect from 01-03-2005, he was promoted as Sr. Officer Technical and he was working at Thivim factory. The duties performed by him are as under:

a. He worked in mould shop, press shop and machine shop.

b. In his selection, he was working under instructions of his Manager, Mr. Gabriel Mendonca.

c. In his section, under the said Manager, besides Party No. 1, other officers, namely, Mr. Ulhas Mandrekar, Officer, Mr. Uday Chari, Officer and Mr. Victor Fernandes, Junior Officer, were also working.

4. It is stated that Party I was transferred to marketing and sales of ID Products section at Thivim factory on 1-2-06 where he reported to Mr. Narayan Dessai, Manager and worked till 31-12-06 after which he was transferred to Thivim factory where he was till the date of his termination. Mr. Bhat who was the Managing Director did not give him any work till the date of his termination.

5. Vide letter dated 30-04-07, the services of Party I were terminated with immediate effect i.e. without giving him one months notice. That no retrenchment compensation and leave wages were paid to him. The management also did not prepare a seniority list and follow the principle of "last come first go'' before terminating his services. It is stated that Party II has violated the provisions of Section 25F and 25G of the Act. Thus, a dispute was raised with the Asstt. Labour Commissioner, Mapusa which was admitted in conciliation but the settlement did not arrive at. It is therefore the contention of Party I that his termination be held as illegal and unjustified and he be reinstated in service with full back wages and continuity of service with costs so also to grant him subsistence allowance of 50% wages, pending adjudication, by way of interim relief.

6. In the written statement, the Party II has denied the case set up by Party I in the claim statement and has stated that the reference is not maintainable since Party I is not a Workman defined u/s 2(s) of the act and also because the factories of Party II at Thivim and Bicholim are closed from May, 2006 and the factory unit No. 2 at Valpoi has been closed from July, 2006, which closure has been accepted by the Workman, staff and officers of the Party II and therefore no relief after the date of closure could be granted. It is further stated that Party II has been considered as sick industrial company in terms of Sec. 3 (1) (o) of the Sick Industrial Companies (Special Provisions) Act, 1985 (for short SICA). It is stated that when the reference is registered and the Board for Industrial and Financial Reconstruction has declared Party II as a sick industry, the provisions of Sec. 22 of SICA would be attracted. It is stated that Party I from the time of his promotion as Junior Officer was not a member of the Union and he was in supervisory management cadre and being so he was also not governed by the certified standing orders of Party II. It is stated that since the date of appointment of Party I as Junior Officer (M-A) his duties were to supervise the work of the Workmen working in the Technical section and that his conditions of service, emoluments and benefits were altogether different from the workers categories. It is stated that Party I was working in Technical section like mould shop, press shop and machine shop in Thivim factory of Party II and all these jobs which involved technical knowledge were performed by the technicians and helpers and other incidental works which involved clerical jobs were performed by the clerks, employed in the Technical section under the supervision and direction of Party I, who was a senior officer technical with Party II. It is stated that Party II restructured the working of the units and Party I was relocated to marketing and sales ID products, which business was mainly run by an associate Company of Party II with effect from 1-2-06 where Party I was working till December, 2006. That as there was a decline in ID card business, Party I was offered an alternative job but Party I refused the same however continued in the establishment without any full time work till 30-04-07 on which day his services were dispensed with on payment of one months wage in lieu of notice. Party I accepted the said letter and the cheque. It is stated that Party I was reporting to the Manager, Mr. Gabriel Mendonca, administratively for sanction of leave etc. but instructions to the Workmen and subordinate officers were issued by Party I himself. Thus amongst above and other grounds, Party II has prayed to reject the reference.

7. In the rejoinder Party I has denied the averments made by Party II in their written statement.

8. Based on the above averments, issues at Exb. 9A were framed on 8-10-08.

9. In the course of evidence, Party I Shri Nelson Noronha examined himself as witness No. 1 and Shri Atchutanand Kalangutkar as witness No. 2 and closed his case. On the other hand, Party II examined Shri B. S. Sridhara as witness No. 1 and closed their case.

10. The representatives of both the parties filed written submissions as well as advanced oral arguments.

11. I have gone through the records of the case and have duly considered the submissions of both the learned representatives.

12. I am reproducing herewith the issues alongwith their findings and reasons thereof.

Sr. No.	Issues	Findings
1.	Whether the Workman/Party I proves that he is a "Workman" within the meaning of Section 2(s) of the I.D. Act, 1947?	In the negative.
2.	Whether the Workman/Party I proves that the action of the Party II/Employer in terminating his services w.e.f. 30-04-2007 is illegal and unjustified?	In the negative.
3.	Whether the Employer/Party II proves that the present order of reference to bad in law as stated in para 2(c) of their written statement?	In the positive.
4.	Whether the Party I is entitled to any relief?	In the negative.
5.	What Award?	As per order below.

REASONS

13. *Issue Nos. 1 & 2:* Both these issues are answered together for the sake of convenience as they are interconnected.

14. It otherwise cannot be disputed that the burden to prove that he is a 'Workman' within the meaning of Section 2 (s) of the Act is on the Party I. In the above context, learned advocate for Party II has rightly relied on the judgement in the case of **S. T. Galande v/s P. O. IInd Labour Court, Pune 2008 (I) CLR 656** in which the Hon'ble High Court of Bombay has observed as under:

"... It is settled principle of law that the onus lies upon the Workman to prove that he satisfies the essential ingredients of being a Workman and, therefore, could raise an industrial dispute..."

15. Lnd. Advocate for Party II has also relied upon the judgement in the case of **H. R. Adyanthaya and others v/s Sandoz (India) Ltd., 1994 II CLR 552** in which the constitutional bench of the Hon'ble Supreme Court has held as under:

"..... A person to be a Workman under the said act must be employed to do the work of any category, viz. manual, unskilled, skilled, operational, clerical, supervisory (drawing less than Rs. 1,600/- p.m.) or technical. It is not enough that he is not covered by either the four exceptions to the definition."

16. Thus, from the above settled proposition of law it becomes clear that the person claiming to be a "Workman" must come within the ambit of Section 2(s) of the Act. It is also clear that irrespective of the designation, it is the actual work done by the employee which is determinative of whether he falls within the scope of the definition of "Workman" under Section 2(s) of the Act and the burden to establish the same lies on the Workman.

17. It may be mentioned here that the outcome of issue No. 2 would depend on the outcome of issue No. 1 and this is because if Party I succeeds in proving issue No. 1 it is only then the decision on issue No. 2 would be material or else Party No. 1 would fail in proving issue No. 2.

18. Party I has in para 3 of his affidavit in evidence specified the duties performed by him which are that he worked in mould shop, press shop, and machine shop, under the instructions of the Manager, Mr. Gabriel Noronha. He has stated that he was then transferred to marketing and sales of ID Products section at Thivim factory on 1-2-06 where he reported to Mr. Narayan Dessai, Manager and he worked there upto December, 2006. He has stated that he than worked at Thivim factory and he was under Mr. Bhat, the Managing Director, who did not give him any work till the date of his termination. In the cross-examination of Party I, it is suggested that he was independently supervising the work of other employees, working in Technical section so also that he was reporting to his Manager for administrative purpose. As rightly pointed out by Learned Advocate for Party II except for making the above bare statements on the subject of the duties performed by him, Party I has not produced any documentary or other evidence to substantiate his said stand.

19. No doubt, Party I has examined Atchutanand Kalangutkar who has supported the statements made by Party I on the subject of his duties, but it is apparent from the cross-examination of this witness that he was working in the Thivim unit of Party II since his appointment till the date of his suspension upto 27-10-02 and his suspension continued till 30-06-05. He has admitted that during the aforesaid period of suspension, he was not allowed to enter the factory premises of Party II at Thivim except for attending the enquiry in the conference room. It is therefore clear from the above statement of Shri Kalangutkar that he was not working at Thivim unit of Party II at the time of termination of services of Party I w.e.f. 30-4-07 and even for that matter during the period of his suspension. Even otherwise this witness has admitted that he has been representing the Workman in the present reference and therefore as rightly stated by Lnd. Advocate for Party II, this witness is an interested witness. Thus for the aforesaid reasons, the testimony of this witness has to be looked into with great caution, on the subject of the nature of duties performed by Party I.

20. There is otherwise no dispute that Party No. 1 was initially employed as turner-cum-fitter w.e.f. 3-4-1980 (Exb. W-1) and thereafter promoted as leading hand w.e.f. 1-4-85 (Exb. W-4) then to charge hand w.e.f. 1-7-87 (Exb. W-5) and thereafter he was promoted as Junior Officer (M-A) Grade w..e.f. 1-4-95 (Exb. W-7) and then as an Officer w.e.f. 1-7-01 (Exb. W-9) and as Senior Officer Technical w.e.f. 1-2-05 (Exb. W-10) and he was working there as such till 30-4-07. It is also not in dispute that the last drawn salary of Party I as Senior Officer was more than ₹ 10,680/- and therefore in terms of observations in the judgement in the case of H.R. Adyanthaya (supra) since he has been drawing wages more than ₹ 1,600/- per month, Party I cannot be considered as a "Workman" under Section 2(s) of the Act.

21. Be that as it may, the letter of appointment given to Party I by Party II at Exb. W-1 does not speak about the duties allotted to Party I. It is true that in the subsequent letters i.e. Exb. W-4, Exb. W-7, Exb. W-8, Exb. W-9 and even in Exb. W-10 while, promoting Party I to the post of Junior Officer (M-A) and the Officer, and Senior Officer Technical, it is mentioned that all the other terms and conditions of the service of Party I would remain unchanged but this by itself cannot be construed to mean that the status of Party I has remained as that of the "Workman" despite his promotions to the post of Junior Officer (M-A) and then to the post of Officer and Senior Officer Technical. It is pertinent to note that there is no dispute on the part of Party II that Party I was a "Workman" till the time he was holding the post as Turner-cum-Fitter and therefore it is required to see on the basis of evidence adduced, if in reality Party I continued to be a "Workman" despite his promotions as Junior Officer (M-A), Officer and Senior Officer technical.

22. As pointed out above, Party I has not made any efforts to bring on record the required documentary evidence to describe the nature of duties performed by him, as a Workman. as on the date of termination of his services. In this context, learned representative Shri Subhash Naik Jeorge has contended that such relevant documentary evidence is in posssesion of Party II and therefore it was for Party II to have produce the same. I find no force in the above contention of Learned Representative, Shri Subhash Naik Jeorge for the reasons that undoubtedly, the burden to prove that he is a Workman is on Party I and that too by adducing positive evidence and in case of Party I was not in possesion of the required documents towards its proof, it was for him to make application requesting the Court to direct Party II to produce those relevant documents or to notifiy Party II to produce these documents, which Party I has failed to do. Thus, it is apparent that no attempt has been made by Party I to establish the nature of duties performed by him as a "Workman". In the above context, I would rely on the judgement in the case of **U.P. State Electricity Board and another v/s Aziz Ahmad 2009 I CLR 690** the Workman in which case had claimed 'equal pay for equal work' on the basis of the contention that his post as "Boiler Overhauling Mechanic" is equivalent to the post of "Boiler Mistry". This contention was accepted by the Tribunal and the Writ Petition filed by the employer was dismissed. However, the Apex Court held that the burden to prove that both the posts are equal was on the Workman. Apex Court observed as under:

> *".....The aforesaid findings are incorrect and cannot be upheld. The burden prove that a particular fact is always on the person who alleges the same. In the present case it was the contention of the respondent-Workman, who claimed that the job Requirements, nature and responsibilities of the post of Bioler Mistry/Fitter are identical and similar with that of the Boiler Overhauling Mechanic. The burden, therefore, was on the Workman to prove and establish the*

aforesaid facts by leading cogent and reliable evidence. He was required to place documentary evidence in support of the same".

23. It may be mentioned here that on para 2 of his affidavit in evidence, Party I has stated that he worked in mould shop, press shop and machine shop under the instructions of his Manager, Mr. G. Mendonca. He has stated that he was then transfered to marketing and sales of ID product section at Thivim factory and reported to Mr. Narayan Dessai, Manager and worked there upto December, 2006 and then worked under Mr. Bhat, the Managing Director but he did not give him any work till his termination. It is worthwhile noting that the Party I has not described the nature of duties which he was doing upon his promotion to Officers grade.

24. On the other hand, in his cross-examination Party I has admitted that he was the member of Phil Corporation Ltd., Employees Union till he was working as a charge hand so also that he was getting all the benefits of the settlement signed by the Employees Union with the management till he was working as a charge hand. He has also admitted that on his promotion as Junior Officer (M-A) Grade he was given all together seperate pay and allowances which were not applicable to the Workmen described in the settlement with the Employees Union.

25. The Workman has also stated that one Mr. Anand Phadte, Krishna Parmekar, Zipre Parab, Anand Nagvekar, Vilas Dhargalkar, Anil Gadekar and Tulshidas Agarwadekar and others were working in lower category in the Technical section and they were subordinate to him. He has stated that the above workers were governed by the settlement with the Employees Union. The Party I was shown the leave cards (Exb. E-1 colly) of all the above workers and he has admitted that the said leave cards bear his signature in the column "Approval Dept. Head". He has also stated that he has signed Exb. E-1 colly on behalf of the Manager, though has admitted that there is nothing in writing on Exb. E-1 colly that he has approved the leave on behalf of the Manager.

26. The Workman was also shown the breakdown report of Party II (Exb. E-2) and he has admitted that he has signed these documents in the column meant for "Signature of Supervisor".

27. The Workman was then shown an application for PL (Exb. E-3) of Mr. Tulshidas Agarwadekar and he has identified his signature on the said application and has made it clear that in the said year i.e. 1996 he had signed Exb. E-3 for recommending the leave for approval.

28. The Workman was shown a letter dated 19-8-96 (Exb. E-4) by one Mr. Uday Malavankar addressed to the Manager requesting for change in the shift and he has identified his signature on the said application. He has admitted that this application was marked to him because he was the Officer in the press shop during that month.

29. The Workman was shown the PL application of Mr. Tulshidas Agarwadekar (Exb. E-5) and he has identified his signature on the same and has stated that he had recommended the said leave with remark "kindly consider". Similiarly he was shown leave application dated 26-6-98 (Exb. E-6) of Mr. Tulshidas Agarwadekar and he has identified his signature on the same by admitting that he had recommended the said leave by remark "ok".

30. The Workman was then shown a letter dated 26-5-03 (Exb. E-7) for PL by one Mr. Krishna Parmekar and he has identified his signature on the same.

31. The Workman was then shown a Medical Certificate dated 16-3-04 (Exb. E-8) issued by Dr. Sachin Govekar to Mr. Tulshidas Agarwadekar and he has identified his signature on the same.

32. The Workman has then identified his signature on a letter dated 6-4-04 (Exb. E-9) from Phil Corporation Employees Union for change in shift of Mr. Zipre Parab and Mr. Dinesh Mandrekar and the Workman has admitted that he has approved the change in shift by making the remark "ok''. He has also identified his signature on an application dated 5-7-04 for PL (Exb. E-10) by one Mr. Anil Gadekar and has admitted that he recommended the said leave by putting the remark "ok". He has also identified his signature on an application dated 21-7-05 for PL (Exb. E-12) by Mr. Krishna Parmekar and has admitted that he has recommended the leave by putting the remark ok. He has also identified his signature on the Medical Certificate dated 3-1-06 (Exb. E-13) issued by Dr. Sachin Govekar to Mr. Tulshidas Agarwadekar. Finally the Workman has admitted that during all this period when he had recommended the leave and made change in shift of the Workmen, he was working in officers grade.

33. Though it is the contention of the Learned Representative, Shri Subhash Naik Jeorge, that Party I had signed as such in the absence of departmental head or due to leave or other reasons while officiating in his place and that this does not convert a Workman into a non-Workman, but to my mind, even in such situation no

departmental head would permit a "Workman" to sign in the column meant for the signature of the "Departmental Head". Reference deserves to be made to the Judgement in the case of **Karnataka Bank Limited v/s Sunita B Vatsaraj 2007 CLR 650** in which it observed that power to sanction leave is of considerable importance in any organization and that a leave is sanctioned to an employee only after assessing the exigencies and load of work by an officer who ordinarily supervises the work of the employee asking the leave. Thus, the above aspect goes to give a clear indication that Party I was a non-Workman upon his promotion as Junior Officer and thereafter. Though it is stated by Party I that at Thivim unit of Party II he was working under the instructions of his Manager, Mr. Gabriel Mendonca, perusal of cross-examination of Shri B. S. Sridhara makes it clear that there is an admission on the part of Party I that at the relevant time, Party I was working under the administrative control of Mr. Gabriel Mendonca.

34. That apart I find force in the contention of Lnd. Advocate for Party II that even if after promotion as Junior Officer and thereafter, the Party I was called upon to do the same work, which he was doing before his promotion as Junior Officer, Party I would have definitely complained to his Higher Officer about the same. The very fact that Party I did not make any such complaint leads me to drawn the inference that from the date of his promotion Party I was doing Supervisory an Managerial duties and was also paid the salaries and other benefits applicable to the officers. The memorandum of settlement dated 31-7-01 signed by Party I with its Union is produced on record at Exb. E-14 in the cross-examination of Party I. Party I has admitted that as per Exb. E-14 the Workmen were paid basic pay, FDA, VDA, HRA, Travelling and conveyance, canteen allowance, special/additional allowance, LTA, accident leave, attendance bonus, shift allowance and creche allowance and has stated that as an officer he was not entitled to DA, VDA, canteen allowance, special/additional allowance, accidental leave, attendance bonus, OT and shift allowance. He has further admitted that in Exb. E-14 the designations of Junior Officers and above are not included in the category of Workmen. In case Party I as Junior Officer claimed to be a Workman, he would have definitely raised an issue on the above subject and since Party I did not react to the said situation, it becomes clear that this aspect weighs in favour of Party II to say that Party I is a non-Workmen.

35. At any rate since the duties performed by Party I after his promotion as Junior Officer (M-A) grade, officer and Senior Officer Technical were neither manual, unskilled, skilled, technical, operational, clerical but were of supervisory and managerial nature, it becomes clear that Party II falls in supervisory management cadre i.e. he is a non-Workman and as such was enjoying all the benefits applicable to the management cadre. Though in his affidavit in evidence Party I has stated that at the time of termination no one months notice was given to him, it is brought on record in his cross-examination that he has received his termination letter issued by Party II by post and alongwith it he had received a cheque towards notice wage and ex-gratia compensation. It is therefore clear that Party I has been paid notice wage by Party II.

36. At any rate, since discussion above makes it clear that Party I has failed to prove issue No. 1 and issue No. 2, the same are answered in the negative. Hence my findings.

37. *Issue No. 3:* In para 2 (c) of their written statement it is the contention of Party II that the factories at Thivim and Bicholim of Party II are closed from May, 2006 and the factory unit 2 at Valpoi has been closed from July, 2006 which closure has been accepted by the Workmen, staff and officers of the Party II and therefore no relief after the date of closure could be granted. In his rejoinder, in reply to the above pleadings, Party I has denied the fact of closure of factories at Thivim and Bicholim from May, 2006 and at Valpoi and from July, 2006 and has also denied that the Workmen, staff and officers of Party II have accepted the closure.

38. It may be mentioned here that the provisions of Section 25F and 25G of the Act would come into play only in case of the retrenchment of the Workman and not otherwise. The compensation to be given to the Workman in case of closing down of undertakings is as per Section 25FFF of the Act. The use of the expression "as if" in Section 25FFF (1) of the Act shows almost conclusively that the meaning of "retrenchment" is restrictive and does not in terms apply to the case of bonafide closure of business, as the legislature has not sought to place the closure of an undertaking on the same footing as retrenchment under Section 25F of the Act. This being the position of law and having accepted the closure by Party I, the question of compliance of Sections 25F and 25G of the Act, by Party II, does not arise.

39. In his evidence Shri B. S. Sridhara has reiterated the facts pleaded in para 2 (c) of the written statement and has produced at Exb. E-17 and Exb. E-18 copies of notices both dated 21-4-07 addressed to the Secretary to the Government of Goa Department of Labour informing their decision to close down Bicholim and Thivim factories respectively and at Exb. E-19 he has produced copy of letter dated 11-7-08 addressed to the Chief Inspector of Factories and Boilers on the subject of closure of their Valpoi unit and surrendering the factory license, but there has been no effective cross-examination of the said Shri B. S. Sridhara on the above subject being so, it is clear that Party II has succeeded in proving issue No. 2. Hence my findings.

40. *Issue No. 4:* In view of the findings on issue No. 1 and 2, Party I is not entitled to any relief.

41. In the result, I pass the following.

ORDER

1. It is hereby held that Shri Nelson Noronha, Senior Officer, Technical could not be construed as "Workman" as defined under clause (s) of Section 2 of the Industrial Disputes Act, 1947 (Central Act 14 of 1947).

2. It is hereby further held that the action of Management of M/s. Phil Corporation Limited, Thivim Industrial Estate, Karaswada, Mapusa, Bardez, Goa in terminating the services of Shri Nelson Noronha, with effect from 30-04-2007 is legal and justified.

3. Party I, Shri Nelson Noronha is therefore not entitled to any relief.
